Board Questions

Chairperson Catalino proceeded with the board through the five (5) criteria questions.

- 1) Whether the benefit sought by the Applicant can be achieved by some other feasible method? The board answered yes, it could be moved to the back left corner.
- 2) Whether the Variance will result in an undesirable change in the character of the neighborhood or to nearby properties? The board answered yes. Due to the shed being placed in the front yard.
- 3) Whether the requested Variance is substantial? The board answered yes at 20 feet it is a request of 50%.
- 4) As to whether the Variance will have an adverse effect on physical or environmental conditions? The board answered No.
- 5) Whether the alleged difficulty was self-created? The board answered Yes.

Determination of ZBA Based on the Above Factors:

The ZBA, after taking into consideration the above five factors finds that:

___The benefit to the applicant **DOES** outweigh the Detriment to the Neighborhood or Community.

X The benefit to the applicant **DOES NOT** outweigh the Detriment to the Neighborhood or Community and therefore the variance requested is denied.

The ZBA further finds that a variance for the 20-foot front yard setback **DOES NOT** outweigh the Detriment to the Neighborhood or Community and therefore the variance requested is **denied**.
