Re: Town of Manlius
Skyridge Water Supply District 2025 Infrastructure Improvements
Contract No. 3 water main replacement and pump house improvements

Dear Supervisor Deer:

Bids have been received for the Town of Manlius Skyridge Water Supply District 2025 Infrastructure Improvements Contract No. 3 water main replacement and pump house improvements.

Bids were received as follows:

Alternate 1	Excavate & Replace with HDPE Piping	
	Cassinella Excavating	\$1,600,650
	WD Malone Trucking & Excavating	\$1,930,250
Alternate 2	Excavate & Replace with PVC Piping	
	Cassinella Excavating	\$1,600,650
	WD Malone Trucking & Excavating	\$1,969,250
Alternate 3	Excavate & Replace with Ductile Iron Piping	
	Cassinella Excavating	\$1,714,400
	WD Malone Trucking & Excavating	\$2,076,500
Alternate 4	Directionally Drilled Water Main	
	Cassinella Excavating	\$1,792,850
	WD Malone Trucking & Excavating	\$2,100,100
Alternate 5	Clean and Line Water Main	
	Cassinella Excavating	\$1,463,750
	WD Malone Trucking & Excavating	No Bid

A review of the bidders was conducted by our office with the following findings:

1. Cassinella Excavating: No Acknowledgement of Addenda 3
Error for Alternate 5. Total should be \$1,449,350 not the \$1,463,750 they have shown.
2. WD Malone Trucking & Excavating: No Errors

There are no indications that any of the bidders have been disbarred from work in New York State. Post bid debriefing indicates Cassinella will abide with the requirements of Addenda 3. The error noted for Alternate 5 by Cassinella is irrelevant as Alternate 5 will not be undertaken. Based on our review we recommend the award to Cassinella Excavating; Alternate 1 in the amount of \$1,600,650.

Miller, in conjunction with the Town of Manlius, has been able to successfully negotiate downward the scope of work of Alternate 1 with Cassinella Excavating. Negotiations have resulted in a credit change order for the work downward of (\$516,210) for a modified project cost of \$1,084,440. We will draft Change Order 1 to be executed at the same time that contracts for Skyridge Water Supply District 2025 Infrastructure Improvements Contract No. 3 water main replacement and pump house improvements are executed.

Should you require further input or have any questions, please call me at 315-558-8417.

Very truly yours,

MILLER ENGINEERS
Douglas A Miller, P.E.
